**Mr. Ashok Kumar Todi, Chairman, Lux Industries Ltd.** Stated, "FY17 has been a year of growth with respect to business, profit, efficiency and various other parameters. We have maintained operational excellence in the business despite some uncertain macroeconomic shifts even outperforming in some of the spheres. Our Dankuni unit is performing profitably increasing our cost effectiveness and production capacity than the previous year. We plan to focus on further expansion and bring in more innovation in the products that we will offer to our consumers. We are highly driven by customer satisfaction and we shape our company strategies according to the changing buying patterns of our consumers."

Further **Mr Pradip Todi, Managing Director, Lux Industries Ltd.** added "At Lux Industries Ltd. we are consistently focusing on the growing markets through new innovative product introductions. This year we have outperformed our success by registering a turnover of Rs. 972.02 crore which ensured a topline growth by 3.31%. We are one of the fastest growing hosiery companies in India, reporting a compounded annual revenue growth rate (CAGR) of 11.34% over a period of 5 years leading to 2016-17 as against the textile industry's single-digit percentage growth."

The company's aggregate manufacturing capacity has increased to **1.4 million** from **1.2 million pieces per day** across more than **11 manufacturing facilities** in India. Lux Industries Ltd. has more than doubled its revenue in the past 5
